Dear Community Partner,

Each year, the Al Copeland Foundation raises much needed funds through our annual Golf Tournament to achieve our mission by funding phenomenal, ground breaking programs to find a cure for cancer right here in Louisiana! Why Louisiana? The state has freighting high cancer rankings (6th for cancer diagnosis and 4th for cancer deaths in the U.S.) yet receives less than 1% of NCI funding. These statistics make funding locally, a critical need.

In the last 11 years, donors like you have made it possible to achieve phenomenal results to ensure we make Big Al's final wish a reality. Together we have:

- Raised 1.9 million dollars which 100% of money raised has helped save lives and end cancer.
- Bought over 13 different Immunotherapy treatments to Louisiana. Immunotherapy: Uses your body to fight cancer with NO Chemo or Radiation.
- Connected 43 patients to local trials.
- Helped **THREE patients so far become CANCER FREE!**
- With your help this year, we can continue to fulfill Big Al's wish to save lives and end cancer.

We would like to ask you to support this year's ACF 11<sup>th</sup> Annual Golf Tournament on Friday, April 12, 2019 with a donation to be used during our silent auction. To acknowledge your support of this event, The Al Copeland Foundation offers you the following:

- Recognition and description of your item on all ACF social media outlets including Facebook, Twitter, Instagram, Pinterest and LinkedIn. Item must be received before March 20, 2019
- Company/Business Name listed on all silent auction area signage

Please complete and return the enclosed form indicating your generous contribution to our auction. (Note: the expiration date on such items as gift certificates should reflect the date of April 12, 2020 or later, please).

For more information or to donate to the Al Copeland Foundation, please contact Kathleen Gross Thomas, Foundation Director, at 504-620-3727 (direct office line) or [kgthomas@alcopeland.com](mailto:kgthomas@alcopeland.com).

Thank you in advance for helping us Save Lives and End Cancer!

To The Win,

*Kathleen*
